Meguiar’s® Water Based Dressing is an all purpose dressing which will restore shine and luster to vinyl, leather, and rubber surfaces. Spray and wipe at full strength for high gloss application on tires or exterior trim. This versatile formula can also be diluted 1:1 for a natural low gloss look on interior applications.

Part #:  
- 5 Gallon, part # D-17105  
- 55 Gallon, part # D-17155

Packaging:  
- 5 Gallon eaches  
- 55 Gallon eaches

Features:  
- High gloss spray or wipe on application  
- Restores & protects vinyl, plastic, leather & rubber surfaces  
- Dilutable

pH:  
- 9.0

Paintable:  
- No

Dilution:  
- High gloss Ready to use  
- Natural finish 1:1

Application:  
- Spray or wipe on surface. NOTE: When applying to tires, wipe off excess to prevent spin-off which may stain painted plastic. Do not use on tires or seats of motorcycles, bicycles, or other two wheeled vehicles, or surfaces that should not become slippery.

Pro Tips:  
- For light to moderate plastic and vinyl interior surfaces, achieve fast results by diluting Water Based Dressing 1:1, spray surface or squirt on the bristle of your favorite interior brush, lightly agitate dirty area, and wipe clean with a Meguiar’s® Ultra Plush Terry Towel or Supreme Shine™ Microfiber Towel. You will accomplish the cleaning and conditioning in one fast step. NOTE: Heavily soiled surfaces may require the two-step process using a cleaner first.

Associated Products:  
- Meguiar’s® 32 ounce Secondary Bottle (D-20171)  
- Meguiar’s® Standard Sprayer (D-110516)  
- Meguiar’s® Applicator Pads (W-0004)
