## DEEP CRYSTAL<sup>®</sup> POLISH

Meguiar's<sup>®</sup> Deep Crystal Polish is a pure polish specially formulated to add extra gloss and brilliance to dark-colored cars. Car Guys know that a pure polish is that extra step to achieving a dripping wet, show-car finish on all paints, including clear coats. Deep Crystal Polish conditions and nourishes the paint by replenishing valuable oils, making dark colors darker, reflections deeper and an amazing wet-look show car shine. To protect and lock-in that shine, follow with your favorite Meguiar's wax.

- Part #:** A2116 - 16 oz Liquid
- Packaging:** 6 per case
- Features:**
- Creates a brilliant high gloss finish
  - Conditions paint prior to waxing
- pH:** 7-8
- Paintable:** Yes
- Dilution:** RTU (Ready to use)
- Application Method:** Apply by hand, wipe off
- Directions:** Shake well. For best results, apply product on a washed & dried vehicle that is cool to the touch. Use as directed. Apply a small amount of product on applicator pad and wipe off with a Meguiar's<sup>®</sup> Supreme Shine<sup>™</sup> Microfiber or cotton terry cloth towel turning to a clean portion for the final wipe. Do not allow to dry. Keep off vinyl, rubber, cloth and porous plastic surfaces. This product does not offer protection, and should be followed with wax application.
- Health rating:**
