

TECHNICAL BULLETIN

DEEP CRYSTAL[®] PAINT CLEANER (STEP 1)

This non-abrasive paint cleaner has been improved to deliver even stronger performance with no chemical odor. It safely removes road grime, surface contamination, light oxidation, swirls and light scratches to restore damaged and dull finishes. Prepares all paint finishes for polishing and waxing.

Part #: A3016 – 16 ounce liquid

Packaging: 6 per case

Features:

- Restores damaged & dull finishes
- Removes fine swirl marks & oxidation
- Extremely fast & easy

pH: 7

Paintable: Yes

Dilution: RTU (Ready to use)

Application Method: Apply by hand, wipe off

Directions: Vehicle should be washed, cool and in the shade. Shake well. Apply small amount of product on applicator pad or 100% terry cloth towel and apply thoroughly to surface. Use on one section at a time. Remove excess immediately with a 100% cotton terry cloth towel or Meguiar's[®] Supreme Shine™ Microfiber, turning to a clean portion of the towel for the final wipe. *Severely damaged paint may require professional machine applied products.*
