

TECHNICAL BULLETIN

QUIK DETAILER™

The missing link between washing and waxing! Meguiar's Quik Detailer keeps a waxed car looking "just waxed." Removes harmful contaminants before they damage your finish. Use Quik Detailer right after your car is sprayed by a sprinkler, hit by a bird dropping or exposed to any other condition that ruins your "just waxed" appearance. The safe, high lubricity formula lifts off dirt and grime scratching while enhancing gloss without build up or stripping wax.

- Part #:** A3316 – 16 ounce spray
A3332 – 32 ounce spray
- Packaging:** 6 per case
- Features:**
- Enhances Gloss Between Waxing
 - Ideal For Fast Touch-ups
- pH:** 8.5
- Paintable:** No
- Dilution:** RTU (Ready to use)
- Application Method:** Spray on, wipe off
- Directions:** SHAKE WELL. Make sure your car is cool and in the shade. Mist Quik Detailer onto one section at a time, keeping sprayer about two feet from surface. Quickly spread product with a soft, clean terry cloth towel or Meguiar's® Supreme Shine™ Microfiber. Turn to a dry portion of towel and wipe dry. Return to a damp portion of cloth for each initial wipe, repeat this process on each section. Don't let product self-dry.
