

TECHNICAL BULLETIN

NXT GENERATION™ CAR WASH

Meguiar's® expertise in wash technology has led to the development of a completely synthetic car wash concentrate that loosens and emulsifies even the toughest dirt and road grime with extreme sudsing action. This pH balanced, biodegradable non-detergent formula won't strip off wax protection and is gentle on all painted finishes as well as rubber, vinyl and plastic components. Meguiar's® NXT Generation Car Wash is the first step to a show car shine, and prepares your paint for an application of Meguiar's® NXT Generation Tech Wax™ 2.0.

- Part #:** G12664 – 64 ounce liquid
G12619 – 18 ounce liquid
- Packaging:** 64 ounce - 4 per case
18 ounce – 6 per case
- Features:**
- pH balanced formula emulsifies dirt and grime
 - Engineered water softeners leave SPOT FREE finish
- pH:** 8.5
- Paintable:** Yes
- Dilution:** RTU (Ready to use)
- Application Method:** Dilute, rinse and dry finish
- Directions:** For best results, ensure car is cool to the touch and in the shade. Rinse surface with water. Pour 1 ounce or 4 capfuls of product into a wash bucket and add one gallon of water. Apply wash and water mixture to the car surface with a clean sponge or wash mitt, such as Meguiar's Microfiber Wash Mitt. Rinse car thoroughly from the top of the vehicle downwards to promote sheeting action. For best results, immediately wipe off remaining water with Meguiar's Water Magnet™ Microfiber Drying Towel.
