

TECHNICAL BULLETIN

ENGINE CLEANER

Safe for your engine and tough on grime.

Part #:	G14816 – 473ml / 16 oz spray
Packaging:	6 per case
Features:	<ul style="list-style-type: none">• Removes dirt, grease & grime• Safe for use on rubber and plastic components• Biodegradable formula is quick and easy to use• Penetrates and cleans even the hardest to reach areas
pH:	7.5 - 8.5
Paintable:	Yes
Dilution:	RTU (Ready to use)
Application Method:	Spray on, agitate, and rinse off
Directions:	Shake well. For best results, use on a cool surface in the shade. Read vehicle manufacturer care guidelines before use. Rinse entire engine bay with water and remove loose debris. Be sure to cover and avoid sensitive electronics. Spray Meguiar's® Engine Cleaner liberally and allow to penetrate for 2-3 minutes (for heavy grime, agitate with brush). Rinse away overspray from any adjacent painted body panels as soon as possible. Rinse thoroughly with water before the product dries. For added shine and protection spray Meguiar's® Supreme Shine® Protectant over the entire engine bay and allow to level and dry. Tip: Works great for wheel-well cleaning. Spray Meguiar's® Engine Cleaner into wheel-wells, allow 30 seconds to penetrate and rinse off. Follow with Meguiar's® Supreme Shine® Protectant for added shine and protection.
Health rating:	Health: 1 Fire: 0 Reactivity: 0 Specific Hazard: N/A
