HOT RIMS™ CHROME POLISH

Hot Rims Chrome Polish is uniquely formulated to give chrome an eye-popping, mirror like shine in minutes. The specially designed formula removes tarnish and brake dust without micro-scratching, which can reduce chrome brilliance. Engineered lubricants in our creamy lotion allow for focused and safe polishing action that results in maximum visual intensity. With its unique fresh scent, lack of harsh chemicals, and easy on/easy off application, Hot Rims Chrome Polish is the leading edge of chrome care.
