WHOLE CAR AIR RE-FRESHER ODOR ELIMINATOR MIST

Unlike traditional odor removers that simply fall down onto floor mats and seats, Meguiar's® Whole Car Air Re-Fresher penetrates the complete interior of your car, truck or SUV eliminating unwanted odors permanently. The odor eliminating mist moves through the ventilation system, across the headliner and in-between all other hard to reach areas, eliminating odors and leaving a fresh scent in its place.

Part #: G16402 - 2 oz mist

Packaging: 6 per case

Features:

- Permanently eliminates odors at molecular level
- Re-Freshes every area of your car
- Leaves a pleasant New Car scent

pH: N/A

Paintable: No

Dilution: RTU (Ready to use)

Application Method: Mister

Directions: Vehicle should be unoccupied. No person, pets or plants. For best results remove any source of unwanted odor. Vacuum and clean any soiled carpet/upholstery. Park your vehicle in the shade and in a well ventilated area. Do not use more than one can, per vehicle, at a time. Start the vehicle with the fan set on high (circulated cold air) and close all windows. With the Air Re-Fresher nozzle facing away from you, activate its locking trigger. Place it in the center of the car (typically the floor between the front and back seats). Close all the doors for 15 mins. Open all the doors after 15 mins, turn off vehicle and let air out for 10-15 mins.

Health rating:

Health:	2
Fire:	4
Reactivity:	0
Specific Hazard:	None
