## ENGINE DRESSING

Meguiar's® Engine Dressing is the safe, easy-to-use solution to keep the variety of materials used on and around engines looking their best. The non-greasy formula leaves a deep, rich appearance while providing long-lasting protection on plastics, rubber and hoses. Protect, preserve and enhance everything under your vehicle's hood with Meguiar's Engine Dressing.

- Part #:** G-17316EU
- Packaging:** 15 oz / 450 ml - 6 per case
- Features:**
- Safely restores and protects engine bay materials for a long-lasting, like-new appearance
  - Long-lasting protection in a non-greasy, skin-safe & solvent-free dressing
  - Specialized formula prevents cracking, fading and hardening

**pH:** 7.0

**Paintable:** No

**Dilution:** RTU (Ready to use)

**Application Method:** Spray on

**Directions:** For best results, clean engine area first with Meguiar's Engine Clean and towel dry. Surface should be cool to the touch and vehicle should be parked in the shade. Spray undiluted over the entire engine bay and allow to dry for a few minutes. For maximum performance, spread product with a towel to ensure even and thorough coverage. Do not wash off.

NOTE: Be sure to cover or avoid sensitive electronics. Read vehicle manufacturer car guidelines before use.

**Health rating:**

Health:	0
Fire:	0
Reactivity:	0
Specific Hazard:	In a fire or if heated, a pressure increase will occur and the container may burst
