

TECHNICAL BULLETIN

TIRE & TRIM GEL

Quickly provides a deep black look without runs, drips or overspray on paint, wheels or driveway! The advanced technology allows Tire & Trim Gel to produce the deep, dark “like new” look that you desire both evenly and consistently. Since this gel has a thicker consistency, it will not produce excessive build up that can cause the product to sling when you drive off. It is VOC complaint too...

Part #: D-16332

Packaging: 32 oz./ 946 ml – 6 per case

Features:

- Provides deep satin black look
- Thick consistency, no runs, drips or overspray
- Long lasting, non-streaking formula
- VOC compliant

pH: 8.0 – 8.5

Paintable: No

Dilution: Ready to use

Application: Shake Well. For best results, apply to a cool surface. Apply medium amount of gel on a Meguiar's Even Coat Microfiber Applicator Pad (X3080), Foam Applicator Pad (W0004) or clean soft cloth. Spread gel evenly across clean, dry surface. Wipe off excess with a clean soft cloth.

NOTE: Do not apply to vinyl or painted surfaces, bicycles or motorcycles.

Associated Products:

- Meguiar's Even Coat Applicator Pad (X3080)
- Meguiar's Foam Applicator Pad (W0004)

Health rating:

Health:	1
Fire:	1
Reactivity:	0
Specific Hazard:	None
