<b>Application Method:</b>	Dilute with water
<b>Directions:</b>	<p>TO WASH: SHAKE WELL: Apply in the SHADE on COOL SURFACE. Rinse vehicle with a spray of water. In a clean bucket, mix one ounce of Hi-Tech Wash per gallon of water. Using a clean mitt, apply liberally, working from the roof down. TO RINSE: Beginning with the roof and working down, rinse with a FLOW of water (not a spray) which allows the water to sheet off and reveal a slick glossy finish. Finish by wiping off any remaining water with a chamois or a clean, dry, quality 100% cotton terry cloth towel.</p>
