PROFESSIONAL CAR WASH SHAMPOO & CONDITIONER

Part #:	M6201 – 1 gallon								
Packaging:	4 per case								
Features:	<ul style="list-style-type: none">• Ultra high foaming, non-streaking, pH balanced formula• Free-rinsing, conditioning agents and paint nutrients provide sparkling streak-free results• The ideal product to safely maintain any vehicle after it's been waxed and detailed								
pH:	8.5								
Paintable:	Yes								
Dilution:	RTU (Ready to use)								
Application Method:	Wash and Rinse								
Directions:	<p>TO WASH: SHAKE WELL. Apply in the SHADE on a COOL SURFACE. Rinse vehicle with a spray of water. In a clean bucket, mix one ounce of Carwash Shampoo & Conditioner per gallon of water. Using a clean wash mitt, apply liberally, working from the roof down. TO RINSE: Beginning with the roof and working down, rinse with a SPRAY of water followed by a FLOW of water which allows the water to sheet off and reveal a slick glossy finish. Finish by wiping off any remaining water with a chamois or a clean, dry, soft 100% cotton terry cloth towel. If you do not have a slick, high gloss finish after washing, call Meguiar's Customer Care Center at (800) 347-5700 for additional product recommendations.</p>
